

Conferences

International General Quadrennial Conferences

Such conference will be held every four years with the dates coinciding with Leap Years. Location of this conference will be determined by the General Board of Administration, and published no less than twelve months in advance.

During the International General Quadrennial Conference, general elections, as required, will be held to fill executive positions.

It is **required** that all ministers holding licenses, or their designated representative, be in attendance at this conference as matters of "Policy" will be addressed at this time.

National Biennial Conference

Such conference will be held every two years on even numbered years, except on Leap Years when the International General Quadrennial Conference is held. Location of this conference will be determined by the General Board of Administration, and published no less than twelve months in advance.

National level elections are to be held at this conference.

It is **required** that all U.S. national ministers holding license, or their designated representative, be in attendance at this conference.

Annual District Conferences

Such conferences will be held during odd numbered years, the locations and dates to be decided by the General Board of Administration during Quadrennial and/or Biennial Conferences.
